Those who build great companies understand that the ultimate throttle on growth for any great company is not markets, or technology, or competition, or products. It's one thing above all others: the ability to get and keep the right people.

ABA SEARCH & STAFFING

LEGAL STAFFING... MADE EASY

At ABA Search & Staffing, we understand the value—and challenges—of hiring top legal professionals. That's why we've dedicated ourselves to making your job easier. Our core competency is understanding your hiring needs and finding premier legal talent to meet them. Whether you're searching for attorneys, paralegals, or litigation support staff on a direct hire, temporary, or contract basis, we can help you do it faster, easier, and better.

THE DIFFERENCE BETWEEN GOOD AND GREAT

There is plenty of good legal talent available in the Bay Area. But sometimes good just isn't good enough. At ABA Search & Staffing, our selection process is based on three key principles that allow us to provide your firm with *great* legal talent:

EXPERIENCE

With experience working with law firms and corporate legal departments since 1986, ABA has represented and placed thousands of legal professionals. As a result, we know where to locate high quality, hard-to-find candidates and what questions to ask to make effective employment matches that last.

RELATIONSHIPS

We're committed to building strong, mutually beneficial relationships with our candidates and our clients. Independently owned and operated, ABA is small and flexible enough to give you the unique and personalized attention you deserve, but still powerful enough to provide you with the reach and resources you need to achieve your hiring goals.

SELECTIVITY

We're exceptionally selective in referring candidates to you. Only after screening all prospective employees through extensive behavioral interviews, rigorous reference checks, and legal specific skill evaluations, will we consider them for your job. Accordingly, our interview-to-placement ratio is historically half the industry average (approximately 4:1 versus 8:1).

TESTIMONIALS

"Thank you for providing our firm with the best possible service I have experienced from a temporary/permanent placement agency in my 8+ years of working in personnel... Your staff is, in one word, great."

- Morrison and Foerster

"I have been a customer of ABA Staffing for years and value the consistent quality of the candidates they present. ABA also offers top notch temporary assistance (even on rush orders that arise late in the evening or on weekends)."

- Heller Ehrman LLP

"I want to thank you for your encouragement and persistence in finding me a permanent position. As we both know, a good and thoughtful personnel agency is hard to find. Certainly ABA is one of the best I have ever worked for. It seems to me this is primarily due to the fact that ABA consists of friendly, professional and competent employees."
